

INVACARE® Aquatec Ocean VIP

**German Innovation Only in Cars?
Think again!**

The AQUATEC OCEAN VIP (Tilt in Space) is a high quality, German-designed stainless steel mobile shower commode with 0-35 degree tilt for the more passive/disabled user. High quality castors and a directional lock ensure a smooth ride for all – even on carpet!

Configurations

- Comes with soft seat, pan, and pan holder
- Additional Backrest supplied Free of Charge
- Warranty - 5 years on frame and up to two years on all other components*

*Soft seat and backrest cover are warranted for six months, all other components (excluding frame) are warranted for a period of 2 years

Seat tilt can be individually adjusted (tilt angle 0° - 35°). Exceptionally stable, even if tilted to maximum position.

Ergonomically-designed, height adjustable seat is removable and easy to clean.

Features	Benefits
High quality stainless steel frame and components	Offering strength and stability when it matters most
High quality, rust-proof castors, with directional lock	Providing durability and ease of use
Unprecedented adjustability – height adjustable seat, armrests and footrests	Making the chair comfortable and safe for both patient and carer
Washable, tension-adjustable back-rest with quick-release buckles	Providing optimum comfort and positioning for the user
